Product Summary

A myriad of reclaimed watch and clock parts upcycled with mismatched watch faces that are cold connected and embellished for a perfect steampunk adornment,

or simply a fun and funky addition to your jewelry treasure box, crafted with sterling silver open french earwires, 2.25" L

Product Description

Sustainable: Vintage, Reclaimed, Recycled, Upcycled, Reinvented, Reimagined!
Wear this wonderful treasure with the knowledge that you are part of the process to create less waste in our world and a positive force in giving new life to the once forgotten or forlorn. We take what was unwanted and we make it unbelievable! We redesign, recreate, recover, create intentionally, enhance whimsy and build beautifully. Wear this treasure with the deep understanding that it carries with it energies from all its past incarnations as well as great power and positive energy used to craft it into its new form [read more about [Upcycled and Sustainable Products](#)] [read more about [Upcycled and Sustainable Products](#)]
